

**3rd International Conference
for Young Mathematicians
on
Differential Equations and Applications
dedicated to Yaroslav Lopatynsky**

Lviv, Ukraine, November 3 – 6, 2010

Dear Colleague,

On behalf of the Organizing Committee it is with great pleasure, we invite you to participate in the 3rd International Conference for Young Mathematicians on Differential Equations and Applications dedicated to Yaroslav Lopatynsky, November 3 – 6, 2010 in Lviv, Ukraine. The conference is the continuation of two previous ones organized by Department of Differential Equations at Donetsk National University. This time the Ivan Franko National University of Lviv will host the Conference. The conference is named by an outstanding mathematician, talented pedagogue, Academician of NAS of Ukraine Yaroslav Borysovych Lopatynsky who was a founder of the Departments of Differential Equations in both Lviv University and Donetsk University as well as the Department of Partial Differential Equations in the Institute of Applied Mathematics and Mechanics of NAS of Ukraine. It is our great pleasure to welcome you to Lviv in November 2010.

Vladimir Burskii and Mykola Ivanchov

Conference Organisers

- Ministry of Education and Science of Ukraine
- Ivan Franko National University of Lviv
- Donetsk National University
- Institute of Applied Mathematics and Mechanics of the National Academy of Sciences of Ukraine

Conference Scopes and Objectives

The aim of the conference is to bring together young mathematicians and world renowned scientists working in the fields of partial differential equations, ordinary differential equations and operator theory. The technical program of the conference will include plenary invited lectures (50 minute talks), selected section lectures (30 minute talks) and short communications (20 minute talks).
